

CanPacific is a bridge to your future

Student feedback

The online course of CanPacific was excellent. But it would not be so good if I were not with this teacher. She is an excellent well-trained teacher, she prepared well, kept the interesting, treated everyone with respect and encouraged us to speak and always corrected us at the right time. I loved the course, and I would definitely recommend.

How You Learn English Online

The virtual lessons are conducted through a convenient and interactive digital platform, Zoom. Just like in a physical classroom, you will be able to interact with your teacher and classmates in real time. Before your first day in class, you will receive the recurring Zoom meeting ID and password from your instructor. You will use the same password and ID to join the class every weekday.

In class, you will participate in a variety of fun and practical activities that are designed for virtual classes based on the lesson objectives.

What You Gain

You will be able to improve accuracy (i.e.: make fewer or no mistakes), expand your vocabulary, learn and apply a variety of language structures, improve your command of English grammar, improve pronunciation, and develop fluency and the ability to clearly communicate meaning in English.
